A HEARTFELT THANK YOU!
16 YEARS OF CHURRASCO

To our incredible Guam community,

After 16 wonderful years, the time has come for us to close the doors of Churrasco Brazilian Steakhouse. **Our final day of service will be Saturday, November 14, 2026.**

As we prepare for this milestone, we reflect with immense gratitude on the people, partnerships, and memories that have made this journey so meaningful.

A Legacy of Hospitality and Connection

When we first opened in 2010, we set out to share the alegria of Brazil and the warm, festive spirit of rodízio with the people of Guam. **Looking back, we are filled with pride—not just for the meals we served, but for the milestones we shared with you.** Whether it was a birthday, a graduation, a holiday dinner, a business partnership, or a simple night out with friends, it has been our distinct honor to be the backdrop for your most cherished memories. We have enjoyed the profound privilege of sharing in your celebrations, welcoming generations of families, and watching friendships grow over a meal.

To our guests, thank you for making us part of your lives. We invite you to join us once more before our final day on November 14th—to enjoy a favorite meal, share a memory, and celebrate everything these 16 years have meant to all of us.

Honoring Our Churrasco Family

None of this would have been possible without our team. **To our employees**—past and present—thank you for the care, dedication, and world-class hospitality that brought Churrasco to life every single day. As a team, we are closing this chapter with our integrity and our commitment to quality firmly intact. While the economic landscape has changed, our appreciation for the island of Guam and for the incredible staff who built this restaurant with us has only grown. We are immensely proud of the professional standard we set, and we thank our amazing team for their hard work and passion.

We also extend our deepest gratitude **to our vendors and industry partners**. Your trust, consistency, and collaboration were crucial to our operations, and we are grateful for the relationships that have been forged through mutual hard work and shared passion for what we do.

Investing in the Future of Guam

Throughout our history, we have been committed to helping Guam grow. We are proud of the initiatives we have championed to keep our community vibrant and strong:

- **Mentoring Local Culinarians:** We have been honored to facilitate leadership and career opportunities for local chefs through our active participation in the Guam Chapter of the American Culinary Federation.
- **Supporting Our Military Families:** It has been our privilege to help make Guam a true "home away from home" for military families, working to strengthen their well-being during their time on the island.
- **Community Engagement:** We have been proud to support organizations dedicated to local education and sports, investing in the next generation of our community.

A Commitment That Continues

While we are closing this chapter, our bond with this island remains unbreakable. As we look toward new opportunities, our dedication to the people and the future of Guam remains our top priority.

Guam is our home and we remain deeply invested in its progress and long-term vitality. We believe in Guam's future more than ever and look forward to continuing our journey here in new and meaningful ways.

Thank you, Guam, for welcoming us, supporting us, and giving us so much to celebrate. We carry these memories forward with pride, gratitude, and optimism for what lies ahead.

With heartfelt appreciation,

The Management and Ownership of Churrasco, Inc.
